Hello NONVIKAN KARL-AUGUSTT ALAHASSA,

Your new My Account is ready, and it's your central hub to borrow and explore.

Here you can see your due dates, place and manage your holds, renew borrowed items, and build personal shelves of books you want to read.

You can also connect with other library users across North America to share recommendations, ratings, and booklists.

Confirm your registration by clicking this link: https://tpl.bibliocommons.com/user/confirm/764bf2d8-8c61-4148-932a-086270a55f9c

Thank you,
